Dear Parents,

I am a student of Ivy Tech Community College enrolled in the Associates Program in efforts to obtain a Degree in Early Childhood Education. As a part final course I must create a Professional E-Portfolio using a program called WIX. I will use this portfolio to display my understanding and knowledge of the field. I am asking for your permission to use your child's photo in my portfolio. By signing below you have giving me the permission to feature your child on my WIX E-Portfolio. The profile will be used for public viewing. I will be happy to share my profile with you once it is approved and made public.

Thank you in advance for your support.

Kind Regards

Shontay C. Martin
